Dear Paul:

Enclosed is documentation regarding the denial registration of two volunteers in separate incidents in the Western Los Angeles County Council.

The first involves Samuel Becker, who is registered in our Council as the Committee Chairman of Pack 721 in the Las Colinas District. The second involves an Assistant Scout Master, Doug Royer, registered in Scout Troop 721 of the Las Colinas District. On the second case regarding Doug Royer, he was also involved with the Inland Empire Council in Troop 23 at Murrieta, California.

Both of these individuals were served in person with their letter denying their registration in person and were and given the proper procedures to follow for an appeal to the Regional office. If you have any questions or require any further information regarding these incidents, please feel free to call.

Sincerely,

  
Gene R. Richer,  
Scout Executive

Documentation Of Meeting with Samuel Becker

On Thursday, August 8th, I became aware of problems in the past history of Samuel Becker, the Committee Chairman of Cub Pack 721. These allegations were proven correct and I was instructed to deny the registration of Samuel Becker.

I called Sam at his place of business, Community Thrift and Loan, on Thursday afternoon and arranged for a meeting on Friday at 5:00 p.m., at his office. I then called Jacques Behar, the Cub Master of Pack 721 and ask him to accompany me at this meeting. I gave Jacques only the bare information he needed to realize the gravity of the situation and the steps we must follow.

We arrived at Samuel Becker's office at 5:00 p.m. on Friday, August 9th and I suggested we go outside to have a discussion. We walked down the street and sat around a table and I informed Samuel that his registration with the Boy Scouts of America has been denied. I also gave him a refund check of \$7.00 for his registration and a page with the procedures for filing a appeal with the Boy Scouts of America.

Sam became angry and asked why after four years of being a good leader this suddenly is brought to his attention. I informed Sam that upon reviewing his application, his application had none of the information listed that there was a problem in his past and then now has come to my attention. Sam threaten civil and legal action against persons bringing this to our attention. I explained to him that we were not passing judgement and he had a right to appeal, but until that appeal was satisfied, he has to sever any relationship with the Boy Scouts of America.

Sam informed me that he has a son in the Cub Pack and he would continue with his son. I recommended strongly to Sam that until these matters are resolved he have nothing to do with Cub Scouting and Boy Scouting. I again said to Sam that common sense would dictate that you would not put yourself in a situation that could be viewed as a conflict. He thanked me for my recommendation, although he said he probably would not follow it. Jacques and I left the meeting at 5:30 p.m. and I went home.

The above statement is true and correct to the best of my knowledge.

SUBJECT: SAMUEL J. BECKER

Dear Gene:

Thanks for all of the material on Mr. Becker. This is just what we need to establish a file and make certain he cannot register in the future.

A credit has been issued for the \$7.00 registration fee. You will receive this when we clean our file.

Enclosed is an Ineligible Volunteer Record Sheet which we would like to have completed, so we can identify Mr. Becker. Please give us as much information as you have available.

Thanks for your help.

Sincerely,

Paul Ernst, Director  
Registration and Statistical Service

Memo for Record  
-----

Re: Child Abuse Case - Samuel Jesse Becker

From: Gene Richey, Scout Executive

On this date, I was called by [REDACTED] of San Fernando Valley. [REDACTED] stated that she was a little apprehensive in making this report but felt that it was in the best interest that we be aware of the criminal record of one individual that she has come in contact with.

[REDACTED] related to me that they were going through a custody battle or court case in reference to her husband regaining the rights of his child, by a previous marriage, and it was noted that his ex-wife was living with Samuel Jesse Becker of Canoga Park. [REDACTED] related to me that this individual had been arrested on three or four occasions for (flashing, expositionism) and was presently under psychiatric care) - She felt that he also had an additional record for child abuse, and child molestation, but did not know about the case.

I immediately went to our registration department and pulled from the file the registration papers for Pack 721 of Canoga Park and found Samuel Jesse Becker was registered as a committee chairman with that unit. Taking the registration packet and the individual application, I called David Wells, Assistant District Attorney in the Santa Monica District Area to have a check on his background. I related to him his name and drivers license number. After a period of two hours I received a return call to verify that Mr. Becker has quite a record in regards to child molestation and had served a prison term and that he had been arrested and was on a probationary period for his expositionism "flashing".

Upon receipt of this information I requested that the Director of Field Service take immediate action to remove Mr. Becker from our program and file a letter with him in regards to the fact that he would not be registered with the Boy Scouts of America.

This will be kept on file for the necessary period of time.

Mr. Samuel J. Becker

Winnetka, CA 91306

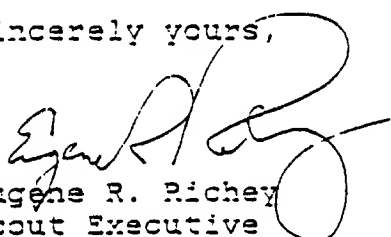

Dear Samuel:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is concern that an individual may not meet the high standards of membership which the BSA seeks.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted. The procedures for a review of this decision are attached.

Sincerely yours,

  
Eugene R. Richey  
Scout Executive

Question	Answer
1. What is the main purpose of the study?	The main purpose of the study is to investigate the effect of the new curriculum on the learning outcomes of the students in the field of science.
2. What are the research objectives?	The research objectives are to determine the level of understanding of the concepts, to identify the difficulties encountered by the students, and to evaluate the effectiveness of the teaching methods used.
3. What is the research methodology?	The research methodology is a qualitative approach, using interviews and observations to collect data from the students and teachers.
4. What are the findings of the study?	The findings of the study show that the new curriculum has a positive effect on the learning outcomes of the students, but there are still some difficulties encountered by the students in understanding the concepts.
5. What are the conclusions and recommendations?	The conclusions and recommendations are that the new curriculum is effective, but there is a need for further research to identify the specific difficulties encountered by the students and to develop strategies to overcome them.
